

# Creating GoToWebinar Polls

[www.coreography.com](http://www.coreography.com)

# Include the poll in your slide deck.

Include your poll question and desired responses as a slide in your deck. Coreography will build the poll for you.

## Question Types

---

**Choice – Single Answer**

Example: **How many Webinars have you attended this year?**

- More than 10
- Between 5 and 9
- Between 2 and 5
- This is my first Webinar

**Choice – Multiple Answers**

Example: **Where are your customers located?**

- North America
- EMEA (Europe, Middle East and Africa)
- Asia Pacific

Use this example to build your own slide.

**Poll Question** (Select all that apply)

**What are the key benefits of managed event services?**

- More professional live events
- Worry-free productions
- Implement web seminar best practices
- Live presenter support during the event
- Get the most from the available technology
- Better event recordings and edited replays

This is an example.

Place instructions here or in the notes section of this slide if users should "Select one" or "Select all that apply".
